Can you meet me at Buckeye Equipment Services as close to 0730 hrs as you can manage? I can wait for you there, then we can carpool from there. I can take you for an off-site visit to Tonopah after the inspection. Do you need directions to the Equip Svcs?

Sara,

I have completed a file review for permit Version 2.0.1.0. and am ready to schedule the inspection.

My immediately next available inspection dates are Friday, 19-Nov and Monday, 30-Nov (vacation scheduled for duration of next week); or any week day following.

Hi Shannon,

You asked me to choose a time to visit Hickman's Egg Ranch. Tuesday, 10/27, after 11:00 is my earliest opening. However, my Outlook calendar is up to date if you prefer a different day and want to see my schedule. Todd has asked me to view their egg washing, processing and drying operations to see if they need to be permitted. If possible, I would like to drive past the Tonopah plant while we're out since most of the hearing comments are in regards to that location.

Thanks,
